

STATEMENT OF VOTE

Primary Election June 2, 1992

VOTE

Compiled by

MARCH FONG EU
Secretary of State

The cover artwork was developed by Heather Morgan of Mountain View for my 1989 "YOU'VE GOT THE POWER" high school voter registration logo contest. Ms. Morgan went on to attend the Otis Arts Institute of the Parsons School of Design in Los Angeles.

The Logo emphasizes the fundamental right of people in a free and democratic nation to choose the men and women who will represent our interests at all levels of government. By registering and voting, we exercise our "power of choice."

Preface

This Statement of Vote is prepared and issued pursuant to Elections Code section 17121.

I thank those many individuals who assisted in compiling, editing, proofing, and printing this document with its detailed information.

In particular, I express my special appreciation to Ed Arnold and Caroline Myers of my elections staff, as well as to Julia Muncy, Robin Singleton, and Andrea Cook, student assistants, whose expertise and careful attention to detail resulted in this document.

I must also thank my entire data entry staff who toiled all night long on election night to receive the semi-official canvass. I am proud of their long hours, dedicated devotion, and unselfish commitment to an unusually demanding job.

Note 1: "Although counties have been required to report the party affiliation of California's registered voters since 1915, the first statewide record did not appear until 1922, and no records are available prior to that date." See Eugene C. Lee, *California Votes 1928 - 1960*, Institute of Governmental Studies, University of California, 1963, quoted at page 26.

Note 2: Prior to 1944, the presidential primary was held in May, and a second primary was held in September or August to nominate partisan candidates for congress, the state senate, and the assembly. In 1944, these primary elections were consolidated into a single primary election date.

Note 3: Since the statewide primary election party nomination process began in 1910, fifteen parties have qualified to conduct primary elections, including:

- | | |
|--|-------------------------------------|
| *Democratic 1910 - present | Communist 1934 - March 1944 |
| *Republican 1910 - present | Progressive 1934 - 1938 |
| *Independence League 1910 | Townsend 1938 - 1942 |
| *Prohibition 1910 - 1962 | Independent Progressive 1948 - 1954 |
| *Socialist 1910 - 1938 | American Independent 1968 - present |
| Progressive ("Bull Moose") 1914 - 1918 | Peace and Freedom 1968 - present |
| Liberty 1932-1934 | Libertarian 1980 - present |
| Commonwealth 1934 - 1938 | Green 1992 - present |

Prior to 1910, many parties either conducted conventions or held primary elections to select their candidates for the statewide general election. The five parties whose names are preceded by an asterisk were active before 1910.

Advisory Vote on Dividing California into Two States

The voters in the counties set forth below voted on an advisory, or non-binding, question of dividing California into two states. The advisory measures were placed on the ballot by the individual counties. Each of the counties voted on the question of whether California should be divided into two states. In those counties shown with a second measure, the question was whether the voters of that county wanted to become a part of the new state representing northern California.
